

CALIFORNIA GUN LAWS - OCTOBER UPDATE

The big item on the gun industry radar this month is Assembly Bill 28 (AB 28). **AB 28 would impose an 11% tax on all firearms and ammunition.** This will substantially drive up costs for the firearms enthusiast. Use this link to let the governor know what you think about AB28. **(UPDATE: GAVIN NEWSOM SIGNED THIS BILL AND A WHOLE BUNCH OF OTHER ONES 9/26/23)**

September 22, 2023 - Judge Benitez strikes down CA magazine capacity restrictions.

If this sounds like something you have heard before that is because you have. Back in March of 2019, Benitez declared the magazine capacity ban and illegal infringement of the 2nd amendment. The state challenged the decision and it was overturned in 2021. However the Supreme Court Bruen decision vacated the 2021 ruling which permitted the Benitez decision this week. Of course the state has 10 days to challenge (again) and probably will. But if they don't.....the magazine ban will disappear on October 2, 2023.
