### CALIFORNIA MOVES TO RESTRICT GUN PURCHASES CITIZEN RESIDENTS GIVEN SAME RIGHTS AS ILLEGAL ALIENS

I know it sounds like tabloid shock speech and maybe I am using a little journalistic sensationalism but this is happening all over the state. In our store it has happened at least a half-dozen times in the past 2 weeks. Longstanding customers and collectors are being denied the right to purchase weapons. Here is how this is occurring.

The image above is a sample license that is being issued by the DMV. The arrow highlights three words "**FEDERAL LIMITS APPLY**". The distinguishing language was placed there to indicate that the recipient has not established their legal presence in the United States. This was put into effect in 2013 under **Assembly Bill 60** to provide a way to issue drivers licenses to undocumented immigrants. If you possess this license you are prohibited from purchasing a

firearm.

## **HOW DOES THIS AFFECT THE CITIZEN RESIDENT? ENTER THE REAL ID ACT**

The **REAL ID** act was adopted in 2005 in response to the 9/11 attacks on the United States.

Nationwide compliance is required by 10/1/2020. California instituted compliance on January 22, 2018 and, as I outlined above, is already having an impact upon our customers.

### **WHEN YOU RENEW YOUR DRIVERS LICENSE THE DMV WILL ISSUE YOU THE ABOVE ID UNLESS YOU...**

- 1. GO PERSONALLY TO THE DMV (DO NOT RENEW BY MAIL)  
AND**
- 2. PRESENT VALID US PASSPORT OR ORIGINAL CERTIFIED  
BIRTH CERTIFICATE.**

By going personally to the DMV and presenting the required documentation you will have established your legal presence in the US and be issued a Drivers License that **does not** have "**Federal Limits Apply**". That license will allow you to continue to exercise your 2A rights as well as:

1. Board airplanes for Domestic flights and;
2. Access Military Bases and Federal Facilities

You cannot fly with the restricted license shown above and would be required to present your passport beginning in October of 2020.

Remember this email when you get your renewal notice in the mail from the DMV. Most of us never read all the fine print and I am not sure what efforts the DMV is taking to make you aware of these new changes. I do know that a number of bright and intelligent gun enthusiasts have unknowingly fallen into this "gun free abyss" and it has impacted their personal rights to gun ownership. Do not simply write a check and "mail it in" while falling into the same trap. We all know how inconvenient it is to go to the DMV but sometimes it is worth the effort. Because it's no fun being and illegal alien ([Genesis - 1983](#))..Rock on!

On a brighter note...
