

Mid Month Update

28 DAYS LEFT! SINCE YOU SUPPORT GUN OWNERSHIP YOU MUST BE PUNISHED

The 11% sin tax goes into effect on July 1, 2024. To avoid this penalty you must start your background check by June 20th and pick up your weapon by June 30th. There are only 28 days left to act.

NO ONE IS COMING TO SAVE YOU!

Despite the fiscal ramifications of this tax nobody seems to care as evidenced in this article from [MSN.COM](https://www.msn.com).

BUT AT LEAST IT IS FOR A GOOD CAUSE

What is the state claiming to use your appropriated money for?

1. Address racial inequality in access to safe communities
2. Research of evidence-based responses to gun violence
3. Develop clinical tools to prevent suicide and injury
4. Mental health services for victims of mass shootings
5. Regulation enforcement
6. Delivering equitable justice to victims

Good luck tracking the flow of money and determining the return on investment.
