CALIFORNIA GUN LAWS SEPTEMBER UPDATE

Ammo Background Check Frozen By the State!

Not happy with the 3-Judge decision, the State of California has requested and En Banc review. Hoping that they can find a majority, that they like, in an 11-Judge panel, the State is asking to rehear the case against requiring ammo checks for purchases.

Magazine Capacity Challenge Submitted to Supreme Court

On August 15, a Petition for Certiorari was filed with the Supreme Court of the United States. Hopefully, the time has arrived for the ultimate court in the land to clear up this mess!
